

DIRECTIONS TO DOVER TRUSSED ROOF CO LTD.

From Canterbury/M2 direction: -

Take the A2 towards Dover. Keep on the A2 until after the A260 exit for Folkestone. About ½ mile past this exit you will see a motorcycle garage and café on your left. About another ½ mile you will come to 2 sets of traffic lights. Go straight on at the first traffic lights but turn right at the second set (signposted “Lydden”). Turn immediately right again and return to the A2 heading towards Canterbury. Straight on at the next set of traffic lights. We are second turning on your left marked “Shelvin” (before the lay-by). Follow the lane to the bottom of the valley and up the other side, we are on the left. There is plenty of turning room in our yard for lorries. A visitors’ Car Park is immediately in front of our offices.

From Dover: -

Take the A2 towards Canterbury. Shelvin is the second turning left after the Lydden traffic lights. Follow the lane to the bottom of the valley and up the other side, we are on the left.

From Folkestone (M20): -

Take the A260 exit for Canterbury, immediately after the Round Hill Tunnel. Continue through Hawkinge, Selsted and Denton (about 10 miles). Once past the The Jackdaw in Denton, climb the hill out of the village. On the brow of this hill, you will see a small right-hand turn (Shelvin Lane). Follow this narrow lane for about half a mile then turn left into Shelvin Farm Road. We are about 100 yards down the hill on the right. For visitors’ Car Park turn sharp right.

NB: THE A260 ROUTE IS NOT SUITABLE FOR LORRIES WHICH MUST CONTINUE TO THE A2 AND FOLLOW THE DIRECTIONS FROM CANTERBURY ABOVE AND SHOULD NOT FOLLOW “SATNAV”.
